

3D RENDERING

Impress your clients by showing them what their design will look like when complete, or utilize the virtual space to experiment with materials. Save time with corrections and decision making by seeing what a space looks like in a virtual world, before implementing into the final build.

**** EACH FINAL CGI IMAGE COMES WITH THREE ROUNDS OF EDITS, 8-10 EDITING REQUESTS EACH ****

EXTERIOR - \$450
LIVING ROOM - \$300
KITCHEN - \$250

VIRTUAL STAGING

Create compelling images to help sell your space with significantly less time and money. Rooms are virtually decorated utilizing furniture that is specific and ideal for any given space.

By using photograph of spaces already in existence, Virtual Staging is a great cost-effective supplement to 3D Renderings.

PHOTO PROVIDED BY CLIENT - \$40 PER IMAGE
PROFESSIONAL PHOTO INCLUDED - \$100 PER IMAGE
